## **BURROUGH GREEN READING ROOM NEWS**

Since its construction in 1887, Burrough Green Reading Room has seen many important historical events. The latest of these occurred earlier in June at the AGM, when Marilyn Field hung up her keys and stepped down as Chair of the committee. Her service to this community facility over the past 33 years has been tremendous; on behalf of committee members old and new, I would like to pay tribute to, and thank Marilyn for her time and dedication. Marilyn will remain as Treasurer for the time being to oversee the handover to the new recruits...

The committee is made up of villagers keen to carry on Marilyn's legacy and to grow and maintain the Reading Room for the future. With this in mind, the hall is available to hire for up to 100 people for parties, local groups and meetings at very reasonable rates. Enquiries to Joanne Harrison on 01638 508888 please. We have planned two forthcoming events:

**FRIDAY 22<sup>nd</sup> JULY**

**SCHOOL'S OUT DISCO**

**FOR CHILDREN AGED 4 - 12 YEARS.**

**6.30pm - 8pm,**

**entry £2.00 to include drinks and snacks.**

**Saturday 17<sup>th</sup> September - Family Fun Day on the green** - details to follow in August's VV, so save the date!

The Reading Room relies on the generosity of local people to keep it going, so please support us if you can.

With best regards,

*Carla Nicholson*

**SEEKING A SMALL PARCEL OF NON-BUILDING LAND:**

I am seeking between two and seven acres of land to buy locally for supported work and leisure activities for people with disabilities. Ideally this would be a small woodland with some open space or a meadowland that could be planted with trees and would have access to a water supply (for example a running stream). My intention is to set this up as a trust for people with disabilities to gain work and leisure experiences of woodland/land management and to enjoy the sensory nature of the natural environment and open air spaces this offers.

If you know of or have any such land for sale I would be very happy to hear about it. Please call Mary on 01638 507186

**HEALTHWATCH CAMBRIDGESHIRE IS YOUR LOCAL HEALTH AND CARE CHAMPION.**

There are lots of important conversations happening at the moment about the future of our local health and care services. It is our job to make sure you are listened to when decisions are made. We are there to ask questions on your behalf.

Some of the conversations we've been involved in recently include:

- Hinchingsbrooke Hospital merger
- Care at Addenbrookes and the Rosie
- The future of older people's health care and adult community services
- Children and Young people's mental health
- Crisis mental health care
- NHS 111 and out of hours GP care

We have also published *Thriving*, our report into children and young people's mental health.

We wrote *Thriving* to help make sure children and young people are listened to by local commissioners and providers. They are using it to help redesign children and adolescents' mental health services.

**Talk to us.**

We need know how health and care is working in Cambridgeshire for you and the people who are important to you. We will listen to your experiences and share them with the people who make decisions about local services, without identifying you.

**We also provide an Information Service and can help you find out about:**

- health and social care services near to you
- what to do if you have a concern or complaint
- organisations that can give you help or advice

We are always happy to talk to local groups and attend events, so please do invite us.

**JULY BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE**

We are starting to see the first glimpses of summer and the hot weather - long may it continue.

Cambridgeshire Fire and Rescue Service hopes you have all been staying fire safe with your latest outdoor activities, but just in case, here are our firefighters' top tips:

- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent either.
- If cooking outdoors, keep barbeques on level ground, never pour accelerant on it and use it well away from fences, sheds and foliage.
- If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave.
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly - never throw a lit cigarette into a field or wooded area.
- Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location.

For the latest news, incidents and safety advice, or to contact us, log on to [www.cambsfire.gov.uk](http://www.cambsfire.gov.uk) or call 01480 444500. Sign up to email alerts and find us on Twitter, Instagram, YouTube and Facebook.

**News from Linton Village College**

'What do you want to be when you grow up?' A question that is often asked of children with the expectation of a chosen occupation title in response.

Their ambition may involve becoming successful, wealthy, accomplished, popular or respected. Or it may reveal more selfless motivations: to make a difference; to contribute positively to society; to help others.

Primary age children's aspirations have shifted considerably over the last couple of decades. Survey data reveals that the traditional career choices of doctor and teacher have been overtaken by jobs such as sports star and pop idol. The trend towards celebrity is understandable given that current role models include YouTube sensations and reality TV stars.

Schools not only help students to achieve academically in order to secure their next steps, but they provide information and advice to help students to make well-considered decisions about their future.

I recall my own experience of careers advice: I was actively discouraged from teaching, being told that my 'talents would be wasted' and that I would be much better off in a more highly respected job. The comments from staff stuck with me; I seriously considered law before committing to teacher training. I am pleased that I followed my instinct, not others' judgements, but my experience does convince me of the need for good quality, impartial careers education. This is even more crucial with students likely to experience more flexible and varied career paths in the future.

Our Year 8 students will start their first option choices in September, Year 9 will begin their chosen GCSE subjects, while Year 11 move on to post-16 studies elsewhere. Some of these stepping stones are more significant than others but they all mark a growth in students' independence towards their futures, with guidance and support.

In contrast with my own experience, I actively encourage students to consider teaching. I hope that some, inspired by a love of learning and convinced of the transformative and hugely rewarding nature of the job, may decide that their talents and ambitions are well-matched to the profession that builds and influences entrants into all others...

**WHAT'S ON AT THE RED LION  
BRINKLEY**

We're going to make every Wednesday America Night.

We'll always be doing authentic American Southern fried chicken. Brined then rested in buttermilk for 12 hours, our floured bone-in chicken is then slowly cooked in a vat of butter, lard and country ham for 20 minutes. It's amazingly flavourful and super juicy. If you've never had it in America, come and try it in Brinkley!

In addition to the chicken we'll have other things too - like some Mexican food or a Philly cheesesteak - things you may have experienced and enjoyed on a holiday Stateside.

**Sunday July 3<sup>rd</sup>** - With it being Independence Day on the 4<sup>th</sup> we're adding some American breakfast food to the brunch menu.

**Wednesday July 13<sup>th</sup>** - Coffee Morning at 10:30

**Tuesday July 19<sup>th</sup>** - Quiz Night at 7:30

**Saturday July 30<sup>th</sup>** - BBQ in the Garden from 4:00 until 6:00

Please remember we're open every Tuesday for the summer. And every day in July from 6:00 - 7:00 we'll continue to offer our Beer of the Day and our incredibly good Beef Burger for only £10.00 since that's been very popular in June - that's a £6 saving on our regular prices. We're also happy to substitute our Chicken Burger, and if you would prefer to choose your own beer you can for only an extra £1.50.
