WHAT'S ON AT THE RED LION **BRINKLEY**

It has been nice to get outside and get a few things done. It is always fun to be somewhere new at this time of year and see a garden come to life for the first time and wonder what each little green shoot might grow into. To watch these shoots grow on a bit more and then play the 'is it a weed or not game?' for a little while longer.

In March we're still doing a five-day week, so we're closed on Monday and Tuesday. Coffee morning will be Wednesday 9th at 10:30 and once again we will open on Tuesday 15th for Quiz Night. The quiz starts around 7:30 (and it is very helpful to know who is coming!)

Events in March - more info on our website at www.redlionbrinkley.co.uk :

Sunday 6th - Mother's Day

Wednesday 9th - Coffee Morning 10.30am.

Sunday 13th - Family Meal at 5:30

Tuesday 15th - Quiz Night 7.30pm.

Thursday 17th - St. Patrick's Day

Saturday 26th - Easter Egg Hunt at 3:00

Sunday 27th - Easter Sunday and Family Meal at 5:30

Monday 28th - Bank Holiday - open until 6:00

As we write this we only have a few tables left for Mother's Day Sunday Lunch and a few for Sunday Brunch at 10:30 or 11:00 on the 6th so if you are thinking of joining us please call soon. If anyone would like to help us during the Easter Egg hunt please feel free to give us a call - we'll find you something fun to do!

In the summer we are planning on opening on Mondays since that is when the pétanque matches are. We'd also like to give you advance notice that since our one year re-opening anniversary is May 1st we're going to offer a 2 for 1 dinner menu in the restaurant area on April 28th, 29th, 30th and on May 1st - maximum table size 6. To take advantage of this please make a reservation and mention The Village Voice.

We've started learning how our very clever oven does things and are working on finding the best settings for baking our own breads, brioche burger buns and kid's buns, for now. It is nice to be finding some time to work on things and we've very much enjoyed meeting everyone during February. And, as always, we thank you for your support.

CARLTON'S BUS SHELTER REFURBISHED.

You may have noticed that the bus shelter in the village was in a very sorry state of repair until recently. However, following an application to the Wadlow Wind Farm Community Trust, we were given funding to remedy this. Very many thanks must go to John Mingay for undertaking this work at cost price and just charging for materials. The bus shelter is now looking splendid and will hopefully serve the community for many more years to come.

Marsh Mail – News from Linton Village College

One of the messages that I shared with parents at my first Parent Forum in January was: It takes a village to raise a child.

Originating from a traditional African proverb, and since used in many different guises and contexts, I firmly believe in the substance of its message: the whole community around a child influences the child's values, upbringing and maturation.

As a school, we play a significant influence on the lives of children. The ability to make a difference is what motivates teachers and other staff to work at LVC. And yet, in reality, we play a fairly minor role in comparison with the sway and direction that parents, wider family and friends will have on a student's life choices, attitudes and decisions.

I take the community aspect of the school's ethos very seriously, particularly as the Principal of a Village College. I believe that the joint efforts of home, school and the wider community can play a far more significant role together than any of these one elements can individually.

The Friends of Linton Village College is one example of how support and parental involvement can be harnessed to benefit young people and the local community. The Friends of LVC consist of a group of volunteers, mainly parents of current and former students, who organise events to raise additional funds for the school. They not only enrich and enhance students' experience at school but also provide facilities for use by the local community.

The sponsored walk, quiz night and Year 11 ball are among the annual events that they arrange. The Friends raise significant amounts of money to improve the facilities at school and, perhaps more importantly, they create opportunities that bring students and/or villagers together for a shared purpose and celebration.

The Friends of LVC are recruiting for new committee members to support and continue the great work that they do. If you would like to find out more about what's involved and how you could contribute, please come along to a Friends Open Evening at 7pm on Thursday 21st April at the Village College, or contact Steve Kiddy, the Chair of the Friends Committee: friends@lvc.org.

We also have vacancies on our Governing Body. If you are keen to make an active contribution to the life of the school, please contact the Clerk to the Governors: tracy.coston@lvc.org.

BRINKLEY CHURCH NEEDS YOUR SUPPORT!

**AUCTION - SATURDAY
21ST MAY**

BRINKLEY MEORIAL HALL

It has been 2 years since Brinkley's popular Auction of useful household goods and interesting 'collectibles' was held. A sale is now therefore planned for Saturday 21st May. Collection of items and timings will be announced in later editions of Village Voice, but it is never too early to earmark that special item you would be prepared to sell on a 50/50 basis or to donate to the Auction; raising much needed funds to maintain Brinkley Church.

If you can help with this event, we will be very grateful. Please contact John on 01638 507484, Trish 01638 507495 or Ros 01638 507240 or e-mail villagevoiceneeds@tiscali.co.uk.

Darren is a new speaker and Peter an old friend, and if you come to these talks, each in the Ellesmere Centre at 8pm, you will be in for a sociable and informative evening in good company.

Annual subscriptions are now due at £15 per person or a bargain £20 for a couple. This will provide you with discounted entrance to talks, and also discount on purchases at Simpson's Nursery in Fordham - well worth the investment!

LINTON AND SAWSTON GP PRACTICES

An update on the merger.

The two partnerships merge on 1st April 2016 to form Granta Medical Practices. Our computer systems will then merge on 20th/21st April. This is a huge piece of work for which we have been preparing for quite some time.

Both Sawston and Linton sites will be closed from 1 pm on the 20th April until mid-day on the 21st April. All calls will be diverted to the out-of-hours service who will provide emergency medical cover during this period.

Both practices will close their computer systems down by mid-afternoon on the 20th April with all electronic lab results and hospital letters having to be checked and filed - quite a task for the GPs. The merge will then run overnight. Any forward bookings for appointments at Linton site will not transfer and Linton will aim to minimise forward bookings as much as possible in the run up to the merge. On the morning of 21st April we will need some time to check that everything is working as it should and our reception staff will manually input all the pre-booked appointments for Linton. By mid-day we hope to have this work completed and we will be ready to resume normal service.

As always, we appreciate the support of all our staff and also the support and understanding of our patients as we prepare for the future. The next update will come from Granta Medical Practices - the culmination of several years of hard work and collaboration between the GPs and practice staff.

MARCH BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

DID you know that being a smoker or living with someone who smokes puts you at higher risk of having a fire in your home?

Throughout March we're raising awareness of the fire risks associated with smoking and we'd like you to join in.

We often find smoking is one of many factors making someone more at risk of fire, for example, when combined with poor mobility, health problems or being elderly, it increases someone's chance of having a fire. Here are some tips to take on board or give to friends and family that smoke:

- Never leave a lit cigarette or pipe unattended.
- Always use a proper ashtray and make sure the contents are cold before you tip it in the bin
- Never smoke in bed and avoid smoking in a chair if you are likely to fall asleep

Most importantly, fit a working smoke alarm and test it regularly. Don't forget to also test the smoke alarms of those you love. If you have an elderly or vulnerable relative, friend or neighbour, pop by and make sure they have a working smoke alarm.

If you think someone is vulnerable and could be at a higher risk if a fire broke out in their home, then please call us on 0800 917 9994 and we can provide advice and support.

For more information, call 01480 444500, visit www.cambsfire.gov.uk. Find us on Twitter, Facebook and Instagram.

LENT

According to Wikipedia, the English word Lent is a shortened form of the Old English word len(c)ten, meaning "Spring" and it may have something to do with the days getting longer. Certainly, as an early riser, I welcome the fact that it is light now not so long after I get up, and despite the fact that as I write this we have a rather heavy frost the beautiful snowdrops in the Churchyard at Stetchworth lit by bright early morning sunshine does something wonderful to cheer the soul.

Other languages interestingly often use the idea of the forty days to provide their name for Lent - the Latin Quadragesima (meaning "fortieth") is the origin for the French, Portuguese, Spanish and Italian words; the Greek term also derives from the number forty.

Other languages use terms relating to the fasting activity, "Fastenzeit" in German means "Fasting Time"; Norwegian, Czech, Russian and Polish apparently also, although I open myself here to criticism from those that doubtless know more than I do.

Different traditions even differ in terms of how the forty days are calculated, but one thing nearly all Christian traditions agree on is that this is a solemn time of preparation and reflection. Whether we fast or not, we can all reflect on our beliefs and just make some time for our own relationship with God. This morning's frost, and the wonderful light on the trees from the low sun in the morning remind me of the Light of the World. I make just a little time during the busy day to reflect on that which makes us joyful, and on that for which we should give thanks. If you can, I urge you to find some "you and God" time too.

With every good wish

COMPUTER SPEAK!

This young woman is no different from the rest of us, both family happiness and heartbreak are familiar to her. *She is simply looking for an answer to her questions. How do you maintain a relationship? How do you bring back the excitement of the first date?*

She wrote a letter to the technical support to find her answers. She sent the letter as a joke and only remembered about it when she suddenly received an email notification with a response.

Dear Tech Support,

'Last year I upgraded from Boyfriend 5.0 to Husband 1.0 and noticed a distinct slowdown in overall system performance, particularly in the flower and jewelry applications, which operated flawlessly under Boyfriend 5.0.

In addition, Husband 1.0 uninstalled many other valuable programs, such as: Romance 9.5 and Personal Attention 6.5, and then installed undesirable programs such as: NBA 5.0, NFL 3.0 and Golf Clubs 4.1.

Conversation 8.0 no longer runs, and House Cleaning 2.6 simply crashes the system. Please note that I have tried running Nagging 5.3 to fix these problems, but to no avail.

What can I do?

Signed,

Desperate

Dear Desperate,

"First keep in mind, Boyfriend 5.0 is an Entertainment Package, while Husband 1.0 is an operating system. Please enter command: I thought you loved me.html and try to download Tears 6.2 and do not forget to install the Guilt 3.0 update. If that application works as designed, Husband 1.0 should then automatically run the applications Jewelry 2.0 and Flowers 3.5.

However, remember, overuse of the above application can cause Husband 1.0 to default to Grumpy Silence 2.5, Happy Hour 7.0 or Beer 6.1. Please note that Beer 6.1 is a very bad program that will download the Farting and Snoring Loudly Beta.

Whatever you do, DO NOT, under any circumstances, install Mother-In-Law 1.0 (it runs a virus in the background that will eventually seize control of all your system resources.)

In addition, please, do not attempt to re-install the Boyfriend 5.0 program. These are unsupported applications and will crash Husband 1.0.

In summary, Husband 1.0 is a great program, but it does have limited memory and cannot learn new applications quickly. You might consider buying additional software to improve memory and performance. We recommend: Cooking 3.0 and Hot Lingerie 7.7.

Good Luck!
