on

Friday 25th August from 6pm

for our opening night

We look forward to welcoming you.

01638 508333

THE BIG GREEN BUS COMPANY

The Big Green Bus Company operates several buses that serve our villages. They are not very well used and this may be because residents are unaware of the times, routes and frequency of the various services.

A quick summary, at 16th July 2017, of routes through our villages. They obviously stop in other villages en-route.

Service 19 : Mon - Fri : Haverhill /Linton/ Brinkley/Burrough Green : 4 times a day.

Service 46 : Tuesday : Brinkley/Burrough Green/ Newmarket : 1 Return trip am. (Approx 2hrs in town.)

Service 903 : Mon, Tue, Thu, Fri, Sat, : Westley Waterless/ Newmarket : 1 return trip (Approx 2 ½ hrs in town)

Service 904 : Mon, Tue, Thu, Fri. : Brinkley/Carlton/Burrough Green/Newmarket : 1 return trip a day. (Approx 2 ½ hrs in town)

Service 47 : Mon- Fri : Brinkley/Burrough Green/ Westley Waterless/ Newmarket : 1 return trip . 8 hour stay.

The full timetables are available from biggreenbuscompany@gmail.com 01440 712712

BURROUGH GREEN FETE - UPDATE

We are delighted to have been able to send a cheque to East Anglian Air Ambulance following our Fete on 11th June for £850 having raised an amazing £3,400 net profit.

In addition we have had a further donation for the church which will help with our ongoing project to install heating and a lavatory. Thank you to everyone who has helped.

BRINKLEY PARISH COUNCIL NEWS

Speed Calming Measures

As you may be aware the Parish Council were successful in obtaining a grant from the Wadlow Wind Farm via the Cambridgeshire Community Fund for 2 mobile flashing speed signs for the village. There are four approved locations in the village and they will be moved between each of the locations on a regular basis. We expect them to be up and running by early August.

Weston Colville Road will also see speed calming measures implemented following a successful bid to the Local Highways Initiative. We will be in discussion with the County Highways team to agree the best measures for this location very soon. We expect there to be a local consultation as there was for the first phase in the High Street. In the autumn, the Parish Council will apply to the Local Highways Initiative scheme again and this time we are looking to secure funding for speed calming measures to the Carlton end of the High Street. This is part three of our phased approach to the problems.

Defibrillator

The Parish Council has applied for a grant from British Heart Foundation to provide the village with a defibrillator. We should hear in the next few months whether we have been successful in securing funding. We have not heard back from East Cambridgeshire District Council yet regarding the potential allocation of land for housing.

Allotments

There are currently 2 vacant allotment plots. Please let me know if you are interested in taking one on.

Vacancies

We still have 2 vacancies on the Parish Council. If you are interested or would like any further information please contact myself or any of the current councillors. Future Parish Council meeting dates are 13th September and 8th November 2017. All are welcome to attend and we hope to see you there.

Hayley Livermore Brinkley Parish Clerk

WESTON COLVILLE HARVEST SWAP

Our August Harvest Swap will be on **Saturday 12th**, hoping to catch those 'gluts' your garden may produce. Bring produce that's too much for your table and go home with something different in exchange. All fruit and veg welcome, plus preserves. Nothing to swap? No problem - come and see local produce you might like in exchange for a donation.

Refreshments available, 10.00 until 12.00 noon.

Jacqueline Douglas (01223 291475),

jacquelinetheteacher@hotmail.com

Not for hearing tests.

Tuesday 23rd August 1.30pm - 3.30pm

No appointment necessary.

~~~~~

**AUGUST BULLETIN FROM CAMBRIDGESHIRE  
FIRE AND RESCUE SERVICE**

With the Summer Holidays in full swing and a heatwave upon us, we are warning young people to stay safe in the County's waterways and making you aware of the dangers of swimming in open water.

With the sun shining, the public and particularly young people are more inclined to gather around waterways to socialise and enjoy the weather, and we have seen this during the past weeks.

We want to remind people to keep our **#RememberRony** campaign on their minds before they get tempted to cool down in rivers and lakes and instead go to a supervised lido. Young people often gather near lakes and rivers, some of which are not always the easiest to access for emergency vehicles and many which are actually private property, not designed for public swimming with no lifeguard on site. The fire service's **#RememberRony** campaign aims to educate young people about the risks associated with open water. It is backed by the family of Huntingdon schoolboy Rony John, who sadly died in 2014 during the first week of the summer holidays, while playing with friends in the Great River Ouse.

It is important for parents and young people to be aware of the many risks that open water possesses, such as being deeper than anticipated, with hazards below the surface to get trapped on. Even though the sun may be shining, the water could still be very cold causing the body to cramp up quickly and posing a risk to your getting out the water safely.

It is also important that if you see someone in trouble in water that you know what to do. Call 999 immediately with clear details of your location and if possible send someone to the nearest road to flag down the emergency services when they arrive. You can find the nearest life ring or anything that could help them float, and if someone goes under the water, mark on the water's edge the place they were last seen with something like a piece of clothing.

For more information about water safety visit [www.cambsfire.gov.uk](http://www.cambsfire.gov.uk) or to pledge that you will stay safe around open water this summer, use the hashtag **#RememberRony** on social media.

MARSH MAIL News from Linton Village College

A young person's education consists of all sorts of experiences beyond the regular curriculum at LVC. As well as learning important knowledge and skills that will help them to achieve success in academic study and the next steps in their lives, opportunities at school also help our young people to learn valuable life lessons about themselves and their communities.

Our PSHE (personal, social and health education) and enrichment programmes are ways in which students do this. Through a diverse range of topics and activities, our young people are enabled to mature and develop their understanding of their own personal development and of the world around them.

As with every generation that has come before them, it is a challenging and exciting time to be a young adult. With a degree of uncertainty about what the future has to hold, and the promise of the change that they have the power to enact, we aspire to help our students to play a positive and productive role in their communities and in wider society. A key element of this is to develop their confidence, independence and sense of responsibility.

One way in which we help young adults to broaden their horizons and learn from those that are different as well as similar to themselves is by providing opportunities to travel and benefit from an exposure to new experiences and contexts.

This academic year there has been a great range of local and international excursions. In the last month, students of all ages have participated in the Wind Band Tour to Croatia, playing live music in a number of town squares across the Adriatic coastline. Currently twenty of our Year 11 students are on a Camps International adventure in Cambodia. Following a great deal of personal fundraising, they are spending four weeks exploring the country and helping to contribute to community infrastructure through charity volunteer work, such as helping to build schools.

These kinds of life experiences are character-shaping and help our young people to grow, learn and mature in all kinds of ways that can't be tested or measured through a formal exam.

VILLAGE WEBSITES

 Enclosed sleeping area 3'x5' with
 sloping felted roof - £50 ono
 Buyer to collect – easily dismantled
 Tel: 01638 507896

BURROUGH GREEN CHRISTMAS FAYRE

Last year another villager and I hired the village Reading Room for a Home Crafts Christmas Fayre. We were late in deciding to do this and subsequently there was limited interest and support from other villagers. The idea is to have 6-8 table-holders who have home crafted goods for sale. The cost of a table would be £10. The event would be on a Saturday and we would also be selling light lunches and beverages during the day. Before we decide to book this event, we would like to know if we can get sufficient tables to make this a viable event.

If you are interested in having a stall please contact Kathie on 07923 526555. I may not answer immediately but if you leave a message I will get back to you.

BRINKLEY MEMORIAL HALL

If you wish to hire the hall, please contact Susie Shuter on 01638 508729

The charges to hire the Memorial Hall are £8.00 per hour for VV cluster and £11.00/ hour for outside. We cater for one off parties and Groups looking for a venue. The Hall can cater for 80 people.

**WHAT'S ON AT THE RED LION
BRINKLEY**

August is here already and the sun is finally showing its face for us. Hopefully everyone is taking advantage of the lovely weather and getting out to do some exciting things. The garden has been quite full lately with people enjoying dinner outside. If you would like to reserve an outside table just give us a call.

REAL TALK

If you would indulge me for a moment, this month I would like to do some *real talk*.

Morris and I arrived here to work a two-week temporary job, never considering that nearly two years later we would be proud to call Brinkley our home. A funny thing happens in the pub every once in a while, where someone will come in and ask us how long the pub has been re-opened, or when we started working here. We still have people brought in by friends who tell us after their meal that they swore they would never come back after a previous experience some years ago. And the number of stories about the previous inhabitants of the pub grow by the month.

As amusing as all of that can be, it's frustrating to know that we haven't reached everyone and let them know we are here and we are different. Our goal here is to make good food and serve good beer and be a place everyone feels welcome. We might not be open as many hours as some pubs as we have adjusted the hours over time to reflect when people actually use the pub and because we would like to enjoy life ourselves, but we try to be as accommodating as humanly possible and we really enjoy what we do.

So if you have been unsure about us, or didn't realize we were here, drop in and give us a try. We are confident you will have a pleasant experience.

Events this month

Coffee morning on August 9th.

Japanese food nights on August 11th & 12th

Family meal on August 27th
Featuring our favourite meatloaf and mash with a fruity trifle for afters.

If you have any questions, give us a call or come by and see us.

01638 508707
