OPEN FOR THE NATIONAL GARDENS SCHEME BURROUGH GREEN

Three very varied and gorgeous gardens are opening on the afternoons

**SATURDAY 1st JULY and SUNDAY 2nd JULY.
1-6pm.**

£5 per adult to include all three gardens and children are free.

ALL gate monies are sent to The National Gardens Scheme. For those of you who are unaware of the NGS, it is a national charity which is celebrating its 90th anniversary this year. Funds raised largely support Macmillan Nursing, Marie Curie, Hospice UK, Carers Trust, Queen's Nursing Institute and Perennial. Sadly, all of us know of people close to us who have been unfortunate enough to need these very worthwhile causes. (Incidentally, 90 pence in every £1 raised goes to these charities which is a marvellous record for a National organisation).

There will be an excellent plant stall from Hedgehog Nurseries.

Homemade teas will be available in The Reading Room and the money raised from the teas is for Burrough Green Church and the Reading Room.

Please come and bring your family/friends and support these worthy charities, and have a great afternoon outing.

BURROUGH GREEN READING ROOM

warmly invite you to our forthcoming fundraising events to support and maintain our village hall.

AFTERNOON TEA

### THANK YOU

Peter & Gill would like to thank all those that came to the Coffee Morning, on May 24<sup>th</sup>, at Glebe House, and to those who couldn't come, thank you for the generous donations. We raised £783 for Marie Curie.

**BRINKLEY FETE - THANK YOU**

For the second year running, we would like to thank those who helped in any way to the successful running of Brinkley fete: those who helped us to set up and take down; those who donated items for the stalls, made or grew things to sell; those who ran stalls; and those who brought their own equipment - everyone played their part.

This year was particularly hot and exhausting, and we hope that you have all recovered.

The net profit for this year is £2655 - an excellent total.

Thanks to Adrian and Belinda Hull for their kind permission in using their garden - and electricity - as a beautiful setting for our village fete

ANYONE FOR TENNIS?

West Wrating Tennis Club invites new members. The recently resurfaced all-weather court next to the village recreation ground

offers a perfect local and convenient place to play, with plenty of parking available. Annual membership is available for families, individuals and juniors.

Members enjoy the opportunity to enter the club's annual Wimbledon Tickets Ballot which takes place in May each year (too late for this year).

Book the court online to be sure it will be free when you want to play.

For more information and a membership application form visit www.WestWratingTennis.co.uk or phone the club Treasurer, Mark Holme on 07768 443223.

~~~~~  
**WESTON COLVILLE POP-UP CHARITY SHOP**

For our Clothes Swap, all around the Reading Room on 3<sup>rd</sup> June were clothes and books, and we raised £150 for local charities Our Special Friends and Little Miracles. Many thanks those who donated items, and bought things, especially those who did both, including the lovely ladies from Westley Waterless and Brinkley, the latter spending almost two hours with us, trying on, chatting and drinking tea.

*Jacqueline Douglas*

~~~~~  
WESTON COLVILLE CIRCULAR WALK

Our next circular walk will be on **Saturday, 8th July**. All welcome - meet at the Reading Room at 10.00am, BYO lunch, and maybe something to share. You can put your lunch in the fridge before we set off, if you'd like, and refreshments will be available.

BURROUGH GREEN FETE - THANK YOU

Sunday 11th June 2017

Thank you to everyone who came to our fete and enjoyed the wonderful weather, albeit a little windy. Thank you also to all those who donated to the fete, to the stall holders and to those who came and supported.

An excellent total in excess of £3,200 was raised and once we know the final total, 25% of the proceeds will be donated to the East Anglian Air Ambulance.

~~~~~  
**BURROUGH GREEN BROWNIES**

Eagle Owl will be jetting off to Romania in July where she will lead an international trip for members of the Girlguiding Senior Section. Whilst in Romania the girls will help at a summer school for local children.

To inspire our girls and highlight what they can achieve in their Girlguiding journey we have completed lots of Romanian based activities so far this term including making a Romanian flag bead brooch; decorating a rooster plate; playing a Romanian true or false game and have yet to complete an activity on Romanian dress. The girls have also been collecting donations of toys, toiletries, clothing and more for Eagle Owl to give to the local Romanian children.

We are hoping the weather will be kind to us during the second half of summer term as we are planning to complete our Out and About badge. Within the District we will also be taking part in the annual Strawberry Evening, all section campfire at the Jarman Centre in Newmarket and a Rainbow and Brownie Fun Day. Rain or shine, it promises to be a busy and exciting term.

If you have a daughter or know of someone who would like to join us, we meet on a Thursday evening during term time and take girls from the ages of 7 to 10. To find out more, please contact Amanda Davies on 07712 761983.

~~~~~  
WESTON COLVILLE HARVEST SWAP

We're trying a harvest swap this summer and have chosen three Saturdays hoping to catch those 'gluts' your garden may produce. Bring produce that's too much for your table and go home with something different in exchange. All fruit and veg welcome, plus preserves. Nothing to swap? No problem - come and see local produce you might like in exchange for a donation. Refreshments available. The **Saturdays** will be **15th, 29th July** and **12th August**, all 10.00 until 12.00 noon.

MARSH MAIL News from Linton Village College

Linton Village College has a strong reputation for industry links, having been designated a Business and Enterprise specialist school since September 2003. We continue to enjoy effective relationships with industry and our young people benefit from access to enterprise opportunities.

In June, all of our Year 10 students spent enrichment week engaged in work experience. Many had sourced their own placements to pursue a specific interest ranging from the Park Inn Radisson Hotel in Ostrava, Czech Republic and at the Aircraft Restoration Company Duxford, working on the BBMF Lancaster bomber, to experiencing legal practices in Haverhill and interior design in Linton. While we support our learners in developing skills ready for life beyond LVC, and provide them with careers education, advice and guidance, experiencing employment situations first-hand provides students with rich learning. For some it has confirmed career decisions, for others tested them. The feedback from our students and the companies about the week has been incredibly positive. As a member of Cambridgeshire and Peterborough's Local Enterprise Partnership we benefit from industry support, including careers training and business mentoring. Our long-standing partnership with Dalehead Foods, through the BITC Business Class programme, is an excellent example of the positive impact that business links can have. Our students have enjoyed annual enterprise projects and employability skills opportunities. The school has also benefited from improvements to the site through the company's volunteer scheme.

We have, in addition, been fortunate to receive financial donations from local businesses to support school events and projects. As has been well-publicised in the local and national press, education budgets are incredibly challenging at present due to real-term reductions in funding. The school is grateful for such generous monetary contributions.

We are keen to continue to develop wider community and business links to enrich the curriculum and provide students with opportunities for authentic, real-world learning. If any local companies are able to offer support we would be keen to hear from you. We would also welcome additional work experience placements for future cohorts.

Ian Simmons, Head of the Business and Enterprise Faculty (ian.simmons@lvc.org) would be happy to receive any support that local industry is able to offer.

**CELEBRATION & ARTWORK TO MARK 80 YEARS OF LEARNING AT LINTON VILLAGE COLLEGE**

Linton Village College is preparing to celebrate its 80<sup>th</sup> anniversary in September 2017.

The College will hold a celebration on **Sunday 17<sup>th</sup> September 2017, 2-4pm**. During the event the College plans to display photos, stories and memorabilia from 80 years of school life at LVC. Former students willing to share memories or lend items for the occasion are invited to contact [LVC80info@gmail.com](mailto:LVC80info@gmail.com), call 07931 966952 or write to LVC80, Linton Village College, Cambridge Road, Linton, Cambs CB21 4JB.

The school first opened its doors in September 1937 and since then generations of students have grown up through the College. Thousands of young people have gained essential skills and qualifications as well as forming lifelong friendships and memories during their time at LVC.

Students and staff from across the decades will be warmly welcomed "back to school" on Sunday 17<sup>th</sup> September to remember good times over tea and cake, and to admire the school today with a chance to tour the new buildings and facilities.

Updates about the anniversary will be provided on Facebook: @LVC80.

**Commemorative Mosaic**

As a permanent commemoration of Linton Village College's 80<sup>th</sup> anniversary, 1937- 2017, this summer term students will be installing a ceramic mosaic in the original part of the school building.

The mosaic will be a lasting legacy for the College and Linton community, designed and built collaboratively by Year 7 students and professional artist, Jim Anderson.

London-based artist Jim ([www.kenya-mosaic.com](http://www.kenya-mosaic.com)) has many years of experience in mosaic-making with schools and community groups around the world. He grew up in Linton and still has family in the village. Examples of Jim's work can be seen locally in the foyer at Addenbrooke's hospital.

The installation will take place 22-23 and 29-30 June 2017. The mosaic will be formally unveiled at the anniversary celebration on Sunday 17<sup>th</sup> September 2017.

*Linton Village College's anniversary celebration is made possible by funding from Linton Parish Council.*

*The commemorative mosaic is being funded by Linton Parish Council, Friends of LVC, the Anderson Trust and Crofton Engineering Ltd.*

*For more information about the LVC80 celebration and commemorative mosaic, please contact: Anna McMahon: [LVC80info@gmail.com](mailto:LVC80info@gmail.com) or 01223 892525 / 07931 966952*

**JULY BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE**

As the weather brightens up and the sunshine starts brightening our weeks we welcome the longer, brighter nights and the opportunity to enjoy summer days and nights in the garden.

When powering up your BBQ's and putting out the garden furniture for the summer season, be sure to take note of our top tips below to ensure you have a fun and safe summer in the garden.

- If cooking outdoors, always check barbecues over after winter storage, keep them on level ground and ensure they are sited away from sheds, fences, overhanging foliage and property.
- Keep children and garden games well away from the cooking area and never leave the barbecue unattended.
- If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave.
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly - never throw a lit cigarette into a field or wooded area.
- Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location.
- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent.

ELLESMERE GARDEN CLUB

26TH ANNUAL FLOWER AND CRAFT SHOW

July is Show time! Our main event this month is, as usual, the **Ellesmere Show** which takes place on **Sunday 16th July** in the large hall at the Ellesmere Centre. The Show opens to the public at 12.30 pm with prize giving at around 4pm. This year we welcome Chris Mann from Radio Cambridgeshire to open the day, and Lucy Frazer MP to present the prizes.

There is still time to collect your schedule from the Ellesmere Centre and get your entries in by **5pm on Thursday 13th July**. Although you could pay £1 for a late entry, it really helps our planning if we know numbers in advance. It's also better for you, so that your prize exhibits get the space they deserve! Normal entries cost 40p each with a maximum of £5 in total per person, so please do consider taking part. In case you need reminding, classes include flowers, pot plants, fruit, veg, produce, floral art, cookery, crafts and photography, as well as special classes for juniors.

On the field you will find various stalls, food and drink, raffles and games, and music. And we will be holding the ever popular **Fun Dog Show**, which kicks off at 2pm, with many and varied classes which you can enter on the day. This has a very friendly and welcoming atmosphere with Hannah from local veterinary practice Lida Vets judging the entrants.

Finally, a **Special Notice** - change of date. Our last event before the summer break is a visit to **Reed Cottage, Great Wilbraham**, which will now take place on **Wednesday 2nd August**, not 26th July as previously advertised.

Do come and support the Club this summer! We look forward to seeing a large crowd, and if you want more information about the club please contact Sandie on 01638 507542.

NETBALL COACHING - FUN SESSIONS

Frayr Bridgeman, along with other students from LVC are going on a once in a lifetime trip to Peru in the summer of 2018. When there they will be helping in the local community and trying to make a contribution to community development and environmental conservation projects in the less fortunate regions of Peru.

As a part of the experience the students have to raise all the money themselves to fund their trip.

In order to raise this money Frayr has already had a raffle at the community market and a stall at the Big Balsham Sale as well as cake sales outside of the village. Frayr's next event is to run fun netball sessions for children and adults in

the summer holidays. Only £5 per session. Contact us on angela.bridgeman@abnetballcoaching.co.uk or 07729 879300 for further information or to book a place.

WHAT'S ON AT THE RED LION BRINKLEY

July already and summer is finally here. The sun is certainly welcome and the garden is showing its potential as somewhere to relax in the heat. Holidays will be here before we know it. We will be moving to summer hours, staying open until 10pm on Wednesday and Thursday, and 11pm Friday and Saturday. Additionally, we will be open until 2:30pm at lunchtime with food ending at 2pm.

Ethnic food nights have been a hit, with June's curry nights nicely full.

In July, we are featuring Chinese food on the 14th and 15th so if sweet and sour chicken sounds up your alley give us a ring and make a booking.

Other events this month are **Coffee morning on Wednesday 12th and Family meal on 23rd**. We're planning chicken and cheese verde or black bean enchiladas, and fruit empanadas.

An enjoyment for us recently has been many of our smaller customers have felt comfortable enough to give us a few suggestions to think about. And we have. Such as now their parents are more into eating outside in the garden, they've been thinking if we could maybe do some well-priced children's basket meals so they can sit and hang out with their friends under the big chestnut tree and don't have to sit beside the older folks, they'd like that. And while it's great we have some games for them to play indoors, it would be even better if we could maybe have more for them to play on in the garden.

So on Saturday July 15th, we'd like to give away a free kids basket meal to our first 10 younger customers. And they'll maybe find something new in the garden for them too.

We are enjoying all the new faces coming in and as always, we appreciate the support we get from people in the area. Let's have a great summer.

RADDESLEY BENEFICE

I'm always aware when writing for our news sheets that what I write at a particular time might be read maybe a month and a half later. Knowing that we had an election coming up I thought maybe I should wait until afterwards in case there was any change... I now find myself wishing I had written earlier and then I could always have used the excuse of the deadline.

So much has happened in recent weeks; as I write we are hoping and praying for residents of Grenfell Tower in London knowing many have lost their lives. I do, though, want to work a little on a theme; the extraordinary things that people do. We have seen the bravery of our emergency services and of ordinary men and women very clearly. The best of human nature comes through.

In the Church of England, in common with many other Christian churches, we have been celebrating the coming of the Holy Spirit after Jesus's death, resurrection and ascension. The gift of the Holy Spirit, as told in the Bible, enabled the Apostles, and other followers of Jesus (mostly ordinary people with no great education) to do incredible things, to speak in languages that they did not know previously and to spread the word about Jesus. The Holy Spirit gave them that personal power, the inner strength (not necessarily physical strength) to achieve incredible things.

I'm sure some of you might disagree with me (but isn't it good living in a society that tolerates such disagreement), but I have a certain admiration for those that put themselves forward for political office. Now, I might be just a bit biased here, as I am a Parish Councillor and I did stand some years ago for election to the District Council (and was dangerously close to being elected). With very few exceptions, the people that put themselves forward in such a way do this with a view to making things better. We might not agree with their views of what better is (and I'm always happy having a friendly discussion with them about why I don't agree with them either) or the methods they employ, but I very much admire a personal conviction, and the willingness to accept such responsibilities. There are undoubtedly divisions in this country and in the world. Some people look to exploit this violently and impose their will on others. Many more though, continue on their way, doing ordinary and extraordinary things. Some work in our emergency services, some take on elected office, many more are our "Army of Ordinary People" - to quote a modern hymn. As we enter a period of a new parliament and (at the time of writing, at least) some uncertainty as to the future, I pray that the Holy

Spirit works with those in authority to do what is right, to bring our nation, and our world, to peace.

Whatever your source of inner strength (and I am happy to say mine comes from the Holy Spirit) and those for our representatives, our emergency services, and those all over the world, may it refresh us, renew us and guide us.
