We do not need (because we have plenty at the moment) - Cook in sauces such as pasta sauces, pasta, beetroot, baked beans and tea".

All you have to do is commit yourself to a donation - however large or small (even just the cost of the few cards you may have delivered in Brinkley) - to either Brinkley church, or the Air Ambulance, or both.

**BATTLE'S  
OVER**  
A NATION'S TRIBUTE  
11TH NOVEMBER 2018  
100 YEARS OF REMEMBRANCE

On the 3 August 1914, Britain's Foreign Minister, Sir Edward Grey, was looking out his office window. It was dusk, and gas lights were being lit along London's Mall, leading to Buckingham Palace, when he remarked to a friend, "The lamps are going out all over Europe, we shall not see

them lit again in our lifetime". Britain was about to be plunged into the darkness of the First World War, and it would be four long years before Britain and Europe would again experience the light of peace.

On November 11<sup>th</sup> over 1,000 towns are participating in various ways to commemorate and remember the end of the war and the many millions that were killed or came home dreadfully wounded.

The event will also commemorate the army of men and women on the home front who, often in dangerous and exhausting conditions, underpinned the war effort - keeping the wheels of industry turning, bringing harvest home and ensuring the nation did not starve. 1,000 pipers will start the day at 06:00 playing the traditional Scottish lament played at the end of a battle. Over 1,000 Beacons of Light will be lit at 19:00 to symbolize an end to the darkness of war and a return to the light of peace, and at 19:05 over 1,000 churches and cathedrals will ring their bells in celebration of Peace.

It begins at 6am on November 11<sup>th</sup>, 2018 with lone pipers playing Battle's O'er, a traditional tune played after a battle, outside every cathedral in the country. At the same time, pipers everywhere will be playing the same tune in their local communities around the world. The tribute is being organised with the assistance of the Glasgow-based College of Piping, local pipe bands around the world, the Air Training Corps and the Army Cadet Force.

**BEACONS OF LIGHT**

At 6.55pm buglers will sound the Last Post at more than 1,000 locations, where at 7pm WW1 Beacons of Light will be lit, signifying the light of peace that emerged from the darkness of war.

**RINGING OUT FOR PEACE**

Ring Out for Peace is part of Battle's Over, At 7.05pm church and cathedral bells will be Ringing Out for Peace, organised with the assistance of the Central Council of Church Bell Ringers, the representative body for groups who ring bells in the English tradition with rope and wheel.

**CARLTON** is taking part in the national 'Beacons of Light' ceremony to commemorate the hundredth anniversary of the end of the First World War. Ours will be in the churchyard. There will be a very short

service in the church starting at 6.30pm, following which the village will hold its Act of Remembrance, lit with lanterns at the War Memorial at 6.45pm. The beacon will then be lit nearby at 7pm. Do please join us either in the church or a short time later at the War Memorial.

~~~~~

**BRINKLEY** - So many of us have family members that were involved in this conflict, at home or abroad. We wanted to participate and are inviting you to join us.

Come up to Red Lion Brinkley after 6:30pm - we'll have some hot drinks or soup available to take around to our back paddock. At 6.50pm we're planning to read out the names of local people that never returned from the War, and 'The Tribute to the Millions', written by Bruno Peak, Pageantmaster of this national remembrance event. We will be lighting our Bonfire Beacon at 7.00pm which should be able to be seen all the way to Cambridge and south of here.

If you have some dry wood you'd like to get rid of, please call us before November 5<sup>th</sup>. 01638 508707. If we still need some, we'll arrange collection from you if you can't drop it off.

**Ring out for Peace** - Brinkley church bells will be rung during the evening.

~~~~~

**REMEMBRANCE DAY SERVICES** will be held at our churches on Sunday 11<sup>th</sup> November.

- 10.55 am Burrough Green
- 6.30pm Carlton
- 6.55pm Westley Waterless

**RAF WRATTING COMMON**

There will be a short Service at the Memorial on Sunday 11<sup>th</sup> November

2018 at 12 noon. This year is particularly special as it marks both 100 years since the end of the First World War and also 100 years of the RAF. The Memorial is situated at Weston Woods Farm, Weston Colville, CB21 5NR. We hope to be joined by some of the Veterans who served with XC Squadron, 1651 Heavy Conversion Unit and 195 Squadron. Also, Cadets from 1451 (Haverhill) Squadron of the Air Training Corps will be on parade. Wreaths will be laid in memory of all those who served here and throughout the world, especially those who gave their lives in the cause of freedom. Attendees are invited to lay wreaths or crosses for those they wish to remember and all are welcome to attend.

**WOULD YOU LIKE TO PLAY BRIDGE?**

There is a small group of people in Burrough Green and the neighbouring villages who enjoy playing bridge. They regularly meet and play in Burrough Green at a cost of £2 per evening with refreshments. We are a friendly group and do not take the game too seriously. We would like to invite a few more local bridge players (or local people who would like to learn to play) to join our group. If you are interested in finding out more, please e mail Kathie on [k.f.butcher@btinternet.com](mailto:k.f.butcher@btinternet.com) or call 07923 526555. Please leave a message if I am not available and I will return your call.

**CARLTON DEFIBRILLATOR**

At the time of writing, I'm very pleased to be able to report that the defibrillator has been fitted into the old phone box in Carlton. It can now be fully used, however at present it has yet to be registered onto the East of England Ambulance Service database as available. This should happen in the next few days. A huge thank you to all those of you who've contributed to facilitating the installation of this. We all live in a rural location, some distance away from emergency services. Getting a piece of kit like this to someone needing it almost straight away will make a huge difference to their chances of survival. I'll let you know about the date of our communities training day shortly.

**NEWS FROM THE READING ROOM**

**Burrough Green**  
Following our application, I am delighted to acknowledge the grant we have received from the Wadlow Wind Farm Community Fund, a charitable fund managed by Cambridgeshire Community Foundation.

The grant is enough to cover the refurbishment of the kitchen to include an oven, new units and work surfaces. This is exciting news and is testament to the hard work of the committee and determination to improve the village hall facilities for our community and beyond. We have received a further substantial donation from a member of the community which will enable us to furnish the kitchen with new crockery, glassware and saucepans etc. We anticipate that work will begin on the kitchen after Christmas and look forward to inviting everyone to an open day to celebrate soon after.

In the meantime, we invite you to attend our Winter Warmer evening in November - it will be a lovely opportunity to catch up with friends old and new. Please join us if you can and show your support for our village hall.

**MARSH MAIL - News from Linton Village College**

LVC students have achieved phenomenal sporting successes over the past month with significant wins at county-level football and hockey fixtures. Students are fortunate to benefit from brilliant facilities on which to practise. Having a sports centre available to the school community which invests into LVC's amenities is a real, tangible benefit of the Village College model.

In recent years, students have profited greatly from the state of the art 4G AstroTurf pitch, access to a high specification fitness studio and are soon to be able to use the resurfaced tennis courts. We are appreciative of the growing numbers of Sports Centre users who directly support LVC's students through their membership. More information about how to join and details about new clubs on offer, including Shimmy Fit, Clubbercise and walking football, are available on the website: [www.lintoncommunitysportscentre.co.uk](http://www.lintoncommunitysportscentre.co.uk). Students also benefit from the support of the many volunteers that give their time and expertise freely to enhance education at LVC.

Our annual sponsored walk and its significant amount of fundraising for school facilities is only possible with the work of volunteer stewards and its organisation by the Friends of LVC. We are grateful for the large number of parents/carers that commit to running events.

I've had the privilege of observing our community language mentors in action this month helping our students to learn through the Languages Futures programme. Our Year 9 students are fortunate to be able to engage in authentic conversation in Turkish, Italian, Japanese, Russian and Greek, amongst other languages, because of community volunteers.

Another significant task force of volunteers is our Governing Body. We currently have vacancies for community governors. Appointments are on a skills basis to ensure that the team has the requisite spread of knowledge. We are particularly interested to hear from potential governors who have expertise in law, estates and procurement but are essentially keen to recruit committed individuals that are keen to contribute to the strategic leadership of the College. If you are interested in finding out more about the role of a governor please contact the Clerk to the Governing Body, Tracy Coston ([tracy.coston@lvc.org](mailto:tracy.coston@lvc.org)).

**ODOUR IN BRINKLEY HIGH STREET**

For about the last 10 months there has been an unpleasant smell in the High Street in the vicinity of White Hart Cottage. The odour, which varies in intensity and occurrence but is obvious on more days than not, is not just unpleasant but does pose some serious health concerns. The odour is of a volatile aromatic nature and is restricted to quite a small area and despite close investigation there seems to be no obvious source causing this problem.

The Environmental Health Department of East Cambs District Council is aware of the problem but it seems there is not much they can do until such time as the product causing the problem and more importantly the source have been identified. If anyone can help with either of these two issues and rid the village of this nuisance I would be very pleased to hear from you as I will maintain contact and keep the pressure on the authorities. Similarly, to help keep this issue alive with the Council, if you are walking down the High Street and notice this smell, please could you email Christopher Smith, Environmental Health Technical Officer ([christopher.smith@eastcambs.gov.uk](mailto:christopher.smith@eastcambs.gov.uk)) to voice your concern.

Thank you in advance for your help

**CAMBRIDGE FIRE & RESCUE SERVICE BULLETIN**

FIREWORKS and bonfire night can be plenty of fun for all the family to enjoy and going to an organised firework display instead of holding one at home can be a great way of supporting your local community.

If you do plan on using fireworks or lighting a bonfire at your own home however, please ensure you consider our safety advice below:

**Fireworks:**

- Only buy fireworks marked BS 7114
- Light fireworks at arm's length using a taper, stand well back and never go back to a lit firework
- Never throw fireworks or put them in your pockets or clothing
- Light sparklers one at a time wearing gloves, and place used sparklers in a bucket of water
- Never give sparklers to children under five
- It is illegal to sell fireworks to someone under the age of 18 or to light fireworks in a public place
- For more information on Firework Safety, visit: [www.hse.gov.uk](http://www.hse.gov.uk)

**Bonfires:**

- Do not light bonfires in unsuitable weather conditions, particularly when windy
- Do not leave bonfires unattended
- Keep a bucket of water or a hosepipe handy just in case
- Build bonfires well clear of buildings, garden sheds, fences and hedges
- Never use flammable liquids to start the fire
- Never burn dangerous rubbish such as aerosols, paint, foam furniture, rubber tyres, batteries, etc
- Before you light the bonfire, check that children and animals are not hiding inside and are a safe distance away
- Always consider the location of a bonfire or firework display, smoke drifting near or on to roads can have devastating consequences. Follow us on Facebook, Twitter and Instagram. To find out if you are eligible for a free home fire safety check, call 0800 917 9994.

**A Time of Remembrance**

November always strikes me as a pensive month as we remember both those we have loved at All Souls Memorial Services and those who gave and continue to give their lives for our freedoms at Remembrance Services.

This is of course a particularly special year marking 100 years of Remembrance and the ending of WW1. A number of our churches have a Tommies Silhouette in them, the image of the 'unforgotten soldier' is always a poignant one. My great grandfather a private in the Sussex Regiment died on the battlefields in November 1916 aged 27 just one of millions of casualties, husbands, sons, fathers.... It must all have looked so bleak and helpless.

On 4 August 1918 King George V called a National Day of Prayer. One hundred days later the war ended. On 23 May 1940 with allied armies trapped on beaches King George VI called for a National Day of Prayer and apparently congregations overflowed, the same day 800 vessels answered the call to evacuate Dunkirk.

When things look and feel helpless we need more than ourselves, we need the Divine and we need each other. Let us never be afraid to ask of either.

*They shall grow not old as we that are left grow old.*

*Age shall not weary them,  
nor the years condemn.*

*At the going down of the sun and in the morning,  
We will remember them...*

Peace be with you,  
Nikki
