**BRINKLEY CHRISTMAS CARD**

How many people do you send cards to in the village? How many send them to you?

Do you ever feel you may have missed someone, or do you get a late card from someone who wasn't on your list?

Here is the solution to all these problems: send one 'card,' which goes to everyone in Brinkley, and then you don't leave anyone out, even including those you wouldn't have sent a card to in the first place.

Here's the bonus: you can pay whatever you want for this 'card.' The money is being shared this year between the East Anglian Air Ambulance and Brinkley Church - but you can choose either one of these charities, or both. Simply fill in a Gift Aid form for your chosen charity, give the money to us, and we will do the rest.

All those who make a donation will have their name printed in the card (not the amount); the 'card' will be distributed in the village to all households with the December Village Voice. In January, we will announce how much money was raised between the 2 charities. For any queries, please contact Ros on 01638 507240, or [rospates@yahoo.co.uk](mailto:rospates@yahoo.co.uk).

**ITALIAN STUDENT SEEKING PAID WORK**

My name is Andrea (male), 20 years old with a driving licence. I will be living in Brinkley for the next year and am seeking paid work.

I am a qualified garden designer but will take on work of any kind. I have looked after children (references available). Mucking out, gardening, babysitting and dog walking.

Available from 1 October 2018.

If you are interested, please contact me on 01638 508199 or email on [johnandfranca.holden@gmail.com](mailto:johnandfranca.holden@gmail.com)

A very active and amusing member of the theatre world, actor and writer Jason Morell is the son of actors Andre Morell and his wife Joan Greenwood. After education at Westminster and Oxford, Jason worked in many films including Doctor Who, The Lake, Mrs Brown and the TV Series, The Bill. On the stage he has starred in the Biograph Girl, Oliver, Lysistrata and the Silver Lake. Jason's Brinkley connection is via his being godfather to John Robertson's granddaughter, Anna Muir.

We anticipate this being a very popular event as we are fortunate to have such a notable speaker. Please book your place early and state any food preferences by calling Susie on 01638 508729.

Looking ahead, on **Wednesday 10<sup>th</sup> October** we welcome Tom Cole to hear about "**Edible Growing**" which appears to be a much-requested topic these days. It will be good to hear the views of our new speakers and we hope to have a good turnout for these and the coming months. Everyone welcome - members or not!

Good luck young scientists at Burrough Green Primary School who will be taking part in The Energy Challenge from September!

The Energy Challenge is a science-focused competition organised by AstraZeneca and MedImmune for pupils in Year 5 and Year 6 in Cambridgeshire.

The Energy Challenge will be running throughout the next academic year with a grand final scheduled to take place in June 2019. ## A CHURCHILL FELLOWSHIP

### Travel to learn – return to inspire...

A Churchill Fellowship is a **once-in-a-lifetime opportunity** to expand your professional and personal horizons and, crucially, make a difference to communities and professions across the UK.

We fund UK citizens to travel overseas, exploring new ideas, and return with global insights to inspire communities and professions. These are the Churchill Fellowships - and they're open to all.

It begins with a travel grant for you to spend up to two months overseas, researching innovative practice on a topic of your choice. This is not an academic study, it's a practical exploration of how things work in other countries, yielding global insights that can be brought back to the UK to influence change here.

On your return, we can support you with advice and further funding to spread your findings locally or nationally, perhaps to set up a pilot project or new organisation, and to meet key players in your topic area. We partner with key organisations in each of our project categories, to enhance the reach and impact of the Fellows' work.

A Fellowship is for life, and you will be able to join useful networks of other Churchill Fellows in your topic or locality.

Applicants come from all backgrounds, ages and levels of experience. No qualifications are required. You will need some knowledge of your topic area but you do not need to be a field leader. We are looking for dynamic individuals who are passionate about their project and can show how they will use it to make a difference in the UK.

This year's categories.

- Artists & makers
- Education
- Emergency services: crisis prevention, response and recovery
- Enterprise: supporting social impact
- Environment, conservation & sustainable living
- Healthcare: innovations for the twenty-first century
- Migration: living well together
- Nursing & Allied Health Professions
- Rural living: strengthening countryside communities
- Science, technology & engineering
- Suicide: prevention, intervention and postvention
- Young people's awards
- Open category: for projects beyond this range

### How to apply

We are open for applications until **18 September 2018**, for travel in 2019.

Everyone can apply. We welcome applicants from all backgrounds, professions, ages and levels of experience. No qualifications are required. The only requirement is that you are a UK resident citizen aged 18 or over.

Go to [www.wcmt.org.uk](http://www.wcmt.org.uk) for all the details.

### MARSH MAIL News from Linton Village College

We ended the summer term with glorious weather and, as per tradition, sports day. This was the final inter-house competition with existing houses and Mandela was victorious. It was a poignant result for Mr Clarke, Head of House, on his last day at LVC.

There are two schools of thought in regard to competitive events such as this: it is the taking part rather than the winning that counts, and that winning is the only thing that counts. Like many things in life, it is arguably a combination of both.

Whilst the fulfilment of achieving first place is the ultimate goal of any competitive process, as England's performance in the World Cup demonstrated, there are many other values and virtues that are tested and demonstrated through team pursuit. Observing tutees support each other, persevere and commit to activities that stretched them beyond their comfort zones showed great community spirit.

As I write this, Year 11s await the outcomes of their GCSE examinations, a culmination of their learning and study during five years of secondary education. While they will reflect the achievements of individuals, the way in which the grades (9-1 across all subjects this year) are awarded depends on the relative performance of all candidates nationally entered for the qualifications. Students' positioning on the bell curve of results will determine whether they obtain a pass (grade 4), a strong pass (grade 5) or somewhere above or below these nationally prescribed benchmarks.

The release of Scottish exam results earlier in August sparked a flurry of social media activity with celebrities and past students sharing the successes that they achieved despite failing at school and consoling school leavers that exam results do not define you. While the sentiment of such messages is reassuring and sound, there is a risk that they serve to demean the efforts of our students and school staff that work hard to achieve the best possible educational outcomes.

Ultimately both credentials and character create opportunities and open doors in the future. I wish our outgoing students all the best for their next steps and future happiness.

Helena Marsh

**WHAT'S ON AT THE RED LION  
BRINKLEY**

Through the end of September, we're bringing back our beer and a burger offer and have simplified it. Any of our seven burgers and any beer or small wine or soft drink or even a G&T - only £12. Wednesday through Saturday, 6:00-7:00pm.

**Take - Away:** We've also had a wee think about our takeaway food menu since we've been doing a few deliveries lately where they were needed. You can find our current menu here:

[www.redlionbrinkley.co.uk/takeaway](http://www.redlionbrinkley.co.uk/takeaway)

If you live in the village and are an O.A.P. - not only will we further discount our already discounted takeaway prices by another 25% but we can now deliver it to you. It would be super helpful if we could do any dinner-time orders between 5:45 and 6:30 but even after 6:30 we'll still manage to get it to you in a very timely manner. Lunch orders, 11:30 until around 2:30.

**Coffee Morning - Wednesday 12<sup>th</sup> at 10:30am**

**French Food nights - Friday 14<sup>th</sup> and Saturday 15<sup>th</sup>.**

We're very much in the almost Spanish parts of France for some of this. Velouté Châtaignes (smooth chestnut soup), Piperade, Ouefs en Cocotte, Cassoulet, Poulet Basquaise, Hachis Parmentier (France improves on a cottage pie because that's what they do). Please book your table for whatever time suits you.

October 12<sup>th</sup> & 13<sup>th</sup> we'll be doing Middle Eastern food and then November 23<sup>rd</sup> & 24<sup>th</sup> it's American Thanksgiving, then that's it until January 2019.

**Sunday Family Meal is the 16<sup>th</sup>, 5:00 for 5:30.**

We'll have the menu on our website's events page by the time you read this.

We'd also be happy to do a quiz night in September if we have enough teams now summer is almost over. FB us if you could make a Thursday evening - maybe the 20<sup>th</sup> - and we'll take it from there.

**Sunday 11/11 at 7:00 p.m.** is the long-planned national WW1 Beacons of Light commemoration and remembrance event. We know there are Brinkley villagers to remember, and we'd really like to do this.

At this time there are 7 Town/Parish councils in Cambs and 47 in Suffolk that have decided to participate. We're happy to give you their info - just give us a call. The nearest to here appears to be Chatteris Town Council so we're now planning to take this on and have something more locally.

Many thanks to all the individuals that contacted us during the last month to say they'd like Red Lion Brinkley to go ahead and participate in this so local people have somewhere closer to remember this important centenary event. We've now contacted the

organisers and ours will be completely open to the general public, and we really do hope many of you will come and remember with us. Full details of the day in next month's Village Voice.

**FROM THE RECTORY .....**

**The Words We Say ...**

These are some words from my recent sermon:

*It is at pivotal moments in our lives and our decisions to act with or without integrity, to choose to say or do the right thing, to not misuse our power that can display our character.*

*What power? It is sometimes easier to see the power we do have in comparison to those who have little or none.*

*Do you have a home? Be a voice for the homeless. Do you have money in the bank? Be a voice for those living in poverty.*

*Do you have food in your cupboards? Be a voice for the hungry. Do you have family? Be a voice for the orphan, the lonely, the refugee.*

*Can you walk down the street without being abused? Be a voice for the trans community, the woman in the hijab... and so on and so forth.*

Just a few short weeks later Boris Johnson made his comment about women in hijab's, following which attacks on those wearing them increased. Regular reported tweets from the White House are personal and offensive. Distant bullying on social media is invasive causing harm and distress.

Our words matter. They can cause pain and hurt, or they can build up and transform.

Proverbs 12 says 'A gentle tongue is a tree of life, but perverseness in it breaks the spirit'.

In other words, kindness and respect in how we talk to and speak of each other doth indeed maketh the man, woman and child.
