CAMBRIDGESHIRE FIRE AND RESCUE SERVICE BULLETIN

Summer fire safety

As the weather brightens up and the sunshine starts brightening our weeks we welcome the longer, brighter nights and the opportunity to enjoy summer days and nights in the garden.

When powering up your BBQ's and putting out the garden furniture for the summer season, be sure to take note of our top tips below to ensure you have a fun and safe summer in the garden.

- If cooking outdoors, always check BBQs over after winter storage. Keep them on level ground and ensure they are sited away from sheds, fences, overhanging foliage and property
- Keep children and garden games well away from the cooking area and never leave the barbecue unattended
- If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly - never throw a lit cigarette into a field or wooded area
- Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location
- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent.

INTRODUCTORY LETTER FROM DISTRICT COUNCILLORS

The turnout in Bottisham ward in May's local elections was the highest in the whole district of East Cambs - 43%, so thank you for your interest and participation in the election process and thank you for electing us. We both intend to work hard for all the residents of Brinkley, Westley Waterless and the wider Bottisham ward.

We look forward to representing you on the Council and to championing those individuals or groups who need help. We will seek support from other Councillors to deliver our campaign commitments to improve our villages and district.

There are seven parishes in the ward and we will hold meetings in each village. Besides these meetings being an opportunity for you to discuss individual or group needs, it will also be a social event to become better acquainted with you. The number of villages in the ward means that we will hold meetings in each parish about twice a year and we will publish where we shall be each month.

Our first such meeting will be in the Scout Hut, Bottisham on Tuesday 25th June from 6:30pm - 7:45pm, and then at The Bell, Bottisham, from 8:00pm for a more informal session to meet your District Councillor.

We will also be writing a report for each issue of Village Voice and coming to meetings of the Brinkley Parish Council. Generally, it will just be one of us attending the meetings, so that we can cover all 7 parishes properly.

Our contact details are below, please contact one or both of us if you have anything to raise. You can also stop either of us in the street, in the shops or wherever you see us; if we are busy, we will arrange a time and place to meet you.

2523 (LINTON) SQUADRON AIR TRAINING CORPS.

As we enter school exam season we try to include as much light relief into our programme as possible, giving the cadets a little bit of time to relax is as important as all the revising. The athletics events over the next few weeks are a great way to let off some steam in a fun environment. As with everything in the RAF, there is a little friendly competition involved too.

I'd like to take a moment to stray from the usual style of article I write to ask for a little help. The squadron is looking at the possibility of procuring a semi professional flight simulator as a training aid. It would enable us to put lots of our training into practice on the squadron. We always make the most of our flying allocations but being able to do some simulator training before heading off for the Air Experience Flights would mean the cadets gain even more from the experience.

We have several qualified pilots on the squadron able to teach using a basic simulator and the technology, although now affordable, is still just beyond the squadron funds. If anyone is able to help by suggesting local charitable funds we could access or businesses that may be open to sponsoring a training aid like this then please do get in touch with me. Any additional ideas on top of our own research would be most helpful. Thank you in advance.

CIL Fund Village Projects Consultation

The Parish Council has received monies from the CIL Scheme to fund projects within the village. Suggested items discussed have been installing traffic calming measures, assist with installation of a new heating system at the Reading Rooms, some leisure facilities for teenagers, improvements to the Green, including planting trees. The Parish Council is holding a public consultation. If residents have any ideas or opinions on these projects, please contact the Clerk on clerk.bgpc@ymail.com

Update on Traffic Calming on Top Road/Brinkley Road

The SCC LHI panel approved the application on 12th March 2019. The funding will be available from 1st April 2019 and the Highway Projects team, are currently to agree a timescale for completion of the approved scheme. The funding amount approved for the scheme is £3,824.00, with the Parish contribution being 20%, £764.00. The project will install further lining around the bend (red strips), plus installation of an Advanced Directional Sign with Hartfield Road being shown (100 yards). Also pulling the junction of Hartfield Road further forward using white lining.

SAWSTON OPEN GARDENS

Sunday 7th July 1 - 5 pm

Sawston is participating again in the National Gardens Scheme, with three gardens opening to the public in the afternoon of 7th July. The NGS has raised over £50 million pounds for U.K. nursing charities since its inception in 1927. In 2017 alone, £3.1 million was given to twelve charities, including Macmillan Cancer Support, Marie Curie, Hospices UK and the Carers Trust.

The NGS is now the largest single benefactor to Macmillan and Marie Curie. Three very different gardens are on show this year. 35 Mill Lane is a modern bungalow with immaculate colourful flower beds and water features. Striped lawns and herbaceous borders set off the 16th century house at 11 Mill Lane. The Mary Challis garden is a peaceful two-acre haven left in trust to the village and managed by volunteers.

View visit details and descriptions of the gardens at www.ngs.org.uk. Entrance £5 per adult (children free) covers all gardens. Tickets and a village map are available from each garden. Parking behind the Co-op supermarket.

Enjoy a cream tea and other goodies at Sweet Tea café in the High Street. Enquiries: Mike & Ann Redshaw 01223 834511.

Two Sawston artists will be displaying watercolours and basketry work on the same afternoon, as part of the Cambridge Open Studios initiative. Details at www.camopenstudios.co.uk. The studios are close-by so visitors can take these in during a tour of the open gardens, for a full afternoon in the village.

**SUMMER HOLIDAY FAMILY YOGA CLASSES**

**at The Ellesmere Centre**

Summer holiday starts in less than two months. Lots of parents have already started planning activities for children over the summer. MM Health and Fitness would like to help families to spend valuable time together this summer. We would like to offer Summer Holiday Family Yoga classes for parents and children age 5-10. To make sure that we offer the classes at the most convenient time and day we would like to hear from you. We have designed a short questionnaire which can be accessed on line: <https://www.surveymonkey.co.uk/r/J9VZRCS> or you can contact Marta Maj at [marta.maj@mmhealthandfitness.co](mailto:marta.maj@mmhealthandfitness.co) to indicate the days and times which are most convenient for you. The classes will be held in the Ellesmere Community Centre and in Newmarket. The cost of the family ticket per class will be £8-10.

**What is Family Yoga?**

Family Yoga is designed for parents and children age 5-8 and 9-11. FY gives parents and children opportunity to spend a valuable time away from mobile devices, to play together yoga games and learn relaxation techniques. FY helps children feel grounded, develop a firm stance and improve posture. Yoga games played at the sessions are great fun and serve various educational goals applicable to yoga, and physical education.

**Power of Family Yoga**

Yoga builds compassion and self-awareness and can soothe parents and children during challenging times. Yogis of all ages gain a sense of peace and calm, as well as confidence, through the practice of Yoga. Once children begin to feel and experience the benefits of Yoga, they will have an inner resource to call on when parents are not around.

MARSH MAIL _ News from Linton Village College

This time of year is filled with enrichment activities and celebrations in schools. It is also a challenging time for setting budgets and timetabling for the following academic year. In recent times this has become increasingly difficult due to financial pressures faced by schools.

There has been significant press coverage of this issue in recent months, including action taken by young people and their families to challenge the impact that this issue has on their education and their future.

The march conducted on Parker's Piece, Cambridge in April showed the strength of feeling shared by parent/carers and students about real-terms cuts to money received by schools. Linton Village College, like other schools across the County continues to suffer the inequities of historic funding arrangements. In correspondence shared with the school community as part of the national Worth Less? campaign I have detailed specific issues that we face by not having sufficient funding and the impact that this has on school staffing.

In 2019/2020 LVC will be £174,000 worse off than the promised minimum funding for schools as set out in the National Funding Formula. We will be the equivalent of £360,000 worse off next year than we were in 2010 due to rising costs.

I am very grateful for the support from parents/carers in raising these issues with local MPs. I met the Secretary of State for Education, Damian Hinds, in May to raise my concerns directly on behalf of head teachers that are struggling to balance budgets.

I am also really appreciative of the great work done by the Friends of LVC to fundraise for much-needed improvements to College facilities and resources. This group is not limited to parents of children at the College. Nicola Tudge, Chair of the Friends, welcomes support from volunteers to run events that raise funds for LVC: Nicola friends@lvc.org.

Education is a crucial investment in our children and their future. I hope our collective voices will help to provide the pressure that is needed to ensure all schools receive the funding they need and students deserve.

### **Sacred Beat**

Confession time ... I am a better steward of our churches than I am of the environment. I am much less 'Green' than I like to think I am. My heart is there but my energy and actions haven't yet caught up! Who can fail to be impressed with 93 year old David Attenborough or the passion of Greta Thunberg and likeminded young people, willing to make a stand; to change their practices, to safeguard our planet?

Revd Jim Bear Jacobs speaking from an Indigenous perspective corrected this already convincing statement '*The earth is our greatest natural resource and it is incumbent upon us to protect it*' to the even more powerful '*The earth is our most sacred relative and it is incumbent upon us to protect her.*'

Thinking of mother earth as a living, sacred being, speaks more directly to me than pollution or over consumption. I want to 'nurture' her... and my new grandson (Oh did I mention I am now a Nanna?!!). Just before Jesus ascended, he said 'A new commandment I give to you, to love one another, as I have loved you.'

The Christian life is a simple one, to love God and to love one another, just as we are fully loved by God.

And now I need also to extend that love to the earth; the diverse, beautiful, existence we share life with.

*(She puts back the plastic tub of coleslaw and picks up a cabbage!!)*

Blessings to you,  
**Nikki**
